

Working Statewide for Better Bicycling

Since 1992, **Ride Illinois (formerly the League of Illinois Bicyclists)** has been a **respected, expert, consistent voice for better bicycling in our state.** We are your liaison to government officials whose decisions impact bicycling conditions on both roads and trails. We are reaching out to **ask if you'll support nonprofit bike advocacy by becoming a Ride Illinois member.**

Cyclist and motorist education has been, and will continue to be, a key area of focus for Ride Illinois. Supporting bike-friendly road design and infrastructure, pressing for new trails to connect communities, and promoting the many benefits of cycling for recreation and transportation is what Ride Illinois does everyday. **Our efforts over the past 27 years have had an impact,** but there is much more that can be done to make cycling in Illinois safer, and more enjoyable.

Ride Illinois advocates for everyone who rides a bike and/or sees the value of non-motorized, active transportation. That being said, we hope that you'll join Ride Illinois as a member..and encourage others to become members also. The more members we have, the greater impact we can collectively have!

Mail this completed form to 815 Leicester Rd #314, Elk Grove Village, IL 60007. If you have questions about your Ride Illinois membership, you can e-mail us at info@rideillinois.org or call us at (630) 216-9282. Thanks!

Sincerely,
Dave, Gina, Ed, and the Ride Illinois board members
