

Your Support Makes Our Work Possible

Since 1992, Ride Illinois has worked to make it safer and easier to get around Illinois on a bicycle. The amazing bicycle benefits people and the planet, so our work is important! Support from Ride Illinois members has positively impacted our advocacy efforts and education programs. **We invite you to become a Ride Illinois member** to sustain our efforts to make Illinois better through biking.

Ride Illinois spends the majority of our time and effort focused on three key areas:

- **Advocacy:** collaboration with individuals, organizations and elected officials
- **Education:** through our BikeSafetyQuiz and Ride Illinois Safely programs
- **Awareness:** Let's Ride, Illinois, the 'I Can Bike There' campaign, and more

Connecting with Illinois residents from a variety of backgrounds and situations is very meaningful and it fuels our desire for change. **Our bikes unite us, help us find common ground, and develop new friendships.** We encourage you to explore Illinois communities by bike and spread some positivity as you pedal.

Ride Illinois' steadfast work to make Illinois better through biking is important. Your support is key to continued success and further progress. **Please become a member** so we can all pedal forward together!
